1. DEFINITIONS

The agreement to hire a narrowboat incorporates these Terms and Conditions and the Booking Confirmation and is between Union Wharf Narrowboats Ltd (the "Company") and you – the hirer.

The Agreement takes effect when the hirer makes the booking online and the company emails or posts the Booking Confirmation confirming the key particulars of the booking.

2. AGREEMENT

When you request via telephone or email you are making an offer to hire a boat on these conditions. A provisional or conditional booking is not binding and you may cancel it at any time before the Booking Confirmation is sent out to You by the Company. Similarly the Company may allocate the spaces that are the subject of your Booking to another party at any time before a Booking Confirmation has been sent to You.

In accepting a Booking, the company's responsibility does not extend beyond the provision of the boat and there is no guarantee that any particular route will be available for navigation during the period of hire. Nothing in these Conditions affects your statutory rights.

3. RESERVATIONS AND PAYMENT

The Company reserves the right to correct errors in advertised or quoted prices at the time of Booking Confirmation.

Payment is deemed to have been made when cleared funds are received in the company's bank account. Time of payment shall be of the essence of the agreement.

Payment in full is payable at the time of the booking. Reservations can be made without payment at the Company's discretion.

4. YOUR PARTY

Your identity is a material factor in the Company's decision to make the booking. You must be at least 21 years of age at the time of booking. You must be authorised by all other members of your party to enter into the Booking on their behalf. You are responsible for making all members of Your Party aware of the terms of the Agreement.

5. CANCELLATIONS AND REPOSSESSIONS BY THE COMPANY

The company may cancel your booking and refuse to hand over to you if, in its reasonable opinion, you are unsuitable to take charge of the boat for any reason that may adversely affect the safety of any person or property. In this event (and provided that you have fully complied with your obligations under this agreement) the company will refund all payments you have paid and the contract shall be discharged without further liability on either party.

The company reserves the right to repossess the boat at any time if, in our opinion, it is being mishandled, misused illegally or if the party's behaviour is considered detrimental to other

waterways users. In the event of this happening, no portion of the hire fee will be refunded. You may also be responsible for any costs the Company incurs as a result of your behaviour. We would also draw your attention to the fact that it is illegal to be drunk in charge of a narrowboat.

6. CANCELLATIONS AND CHANGES REQUESTED BY YOU

The agreement is a legally binding contract and may only be amended or cancelled in accordance with these Conditions.

If You want to cancel or change Your Booking you must give the Company notice by calling, emailing or writing. Bookings will not be transferred within a two week period. Bookings outside a two week period may be transferred at the company's discretion and subject to availability.

7. HIRE PERIOD

The hire period commences at 9-9.30am. There will be no rebate of the price for late arrival.

Before you take the boat over, the company will give you such induction and training as are appropriate. You will then be required to check and sign the Handover Document to indicate that these instructions and demonstrations have been understood.

In the event that the boat is not available on the Start Date due to any circumstance for which the Company is not responsible (see Section 12) the Company may substitute a boat providing similar accommodation but if no such boat is available the Company shall immediately refund You with the deposit and any other payments.

The boat must be returned to Union Wharf Marina in a clean condition and vacated by you by 5pm on the day of your booking, or by darkness, whichever is the sooner. It is your responsibility to ensure a timely return. If you return the boat late or to the wrong place because of poor planning on your part or for another reason which is your responsibility then you will be liable to pay £30 for every half hour of the delay in returning the boat or giving possession and the cost of recovering the boat and any other expenses and losses which the company may incur as a result of the delay including the loss or cancellation of a subsequent booking.

The Company reserves the right to change the place of handover and return for operational reasons or for reasons beyond the reasonable control of the Company. If the Company exercises the right in this clause the Company shall be obliged to give you written notice of the change in sufficient time (consistent with circumstances) to allow any necessary re-planning of your itinerary and to organise any transport which is reasonably necessary for you and your party as a result of such a change.

8. INSURANCE

The Company insures the Boat and its equipment and inventory against public liability risks. The Company's insurance does not cover personal accidents or loss or damage to personal property. Hirers and their crews are advised to take out their own personal insurance cover.

The Company's policy excludes damage arising from speeding, cill damage, rudder or stern gear, TV aerials, chimneys, malicious or intentional damage, other vessels and their equipment, the

waterway, late return of boat and return of boat in unclean condition and you remain responsible to the company for any damage or loss arising from your breach of the agreement, your deliberate acts or from your negligence. The Hirer will indemnify the Company from and against all costs, damage, expenses, liability and claims howsoever arising from the negligence, neglect or default of the Hirer to the extent that they are not covered by the Company's policy.

In the event of damage or loss as a result of reported or witnessed speeding, negligence, intentional damage, late return or return of narrowboat in an unclean condition, the hirer is liable for the full cost of repairs, replacement or compensation.
